

This program is **FREE!**

Here's how it works for youth ages 4 - 12:
"Dream Big READ!"

Choose a reading goal. How many books do you think you can read in nine weeks? Younger children will choose the number of picture books they'd like to read, and older kids will select the number of chapters they'll read. Return each week with your reading log, and report on the books you have read or are currently reading. When your reading log is approved, you may collect the prize of the week. Children who complete their reading goals will automatically be entered to win the grand prize.
